Experience

2026 – now **Senior Product Designer** · Billing team (NDA) · remote

Deposit and withdrawal flows for a B2C product: payment methods, first-deposit conversion, retention. Prototypes in code, A/B tests judged on revenue, not just conversion.

2026 – now **Senior Interface Designer, part-time** · Rabotyagi Studio

A product design studio for Yandex, VK, HeadHunter and Avito; I'm brought in for concepts and code.

- Yandex Cloud at Scale 2026: booth game; my front-end, built in 1.5 weeks, shipped with minor changes.
- Stepicon 2026 by Stepik: landing page, concept to code.
- Moneta.ru: animated homepage and journal concepts.

2024 – 2026 **Senior Interface Designer** · Cedro Agency
2023 – 2024 **Middle Interface Designer**

Startups and MVPs, with discovery on every project.

- Chums, Web3 messenger, as product design lead: mobile app concept; the desktop rebuild cut attaching a file from 6 steps to 1.
- Urbantiger (BTK Group): store redesign, leading a team of three. The client reported 2× conversion.
- Slotex, ex-IKEA plant: old sites merged into one B2B/B2C store. My concept and most of the design; I ran usability tests and worked directly with decision-makers.
- Lendly Invest, crowdlending: the investment flow split into steps, time to complete nearly halved.
- HSE University Online, with Salt and Pepper: platform concept, then the full site, mentoring a junior.
- Only Me, eco-fur brand: MVP store in four months.
- Artem Shcherbakov, film director: concept and all screens of his site, with Salt and Pepper.

2024 – 2025 **Product Designer** · Meama

- Meama, coffee brand: acquired our Cedro team as its in-house studio. App concepts, product audits, marketing design.

2022 – 2024 **Freelance Graphic Designer** · posters, key visuals, print

2019 – 2022 **Marketing Specialist** · Google, Yandex and Meta ads
